

EXCITING JOB OPPORTUNITY

Agricultural Business Initiative (aBi) is a social enterprise with the overall vision to contribute towards building ‘**a competitive and sustainable agriculture and agribusiness sector in Uganda in support of equitable wealth creation in Uganda**’. aBi consists of two companies; aBi Development Ltd (formally aBi Trust) and aBi Finance Holdings Ltd.

The main focus of aBi Development is to increase agricultural production and value addition by extending matching Grants and Business Development Services (BDS) to agribusinesses, farmer organizations and intermediaries. The Grants and BDS enhance planning and management, production and business infrastructure, and upstream and downstream market linkages of producers and, agribusinesses.

aBi Finance expands access to business finance for agricultural producers and agribusinesses by offering funding to financial institutions & agribusinesses with a focus on SMEs & smallholder farmers through Lines of Credit, Clean Technology Fund, Agricultural Guarantees & Financial Services Development.

Internal Auditor. A summary of the job specifications and requirements is given below.

The full job description can be found on www.futureoptions.org and <https://www.abi.co.ug/abi-development-ltd-welcome/opportunities/>

Internal Auditor

PURPOSE OF THE ROLE:

The **Internal Auditor** is responsible for implementing internal audit assignments in line with the International Professional Practices Framework of Internal Audit (IPPF) and aBi Policies and Procedures. S/he leads the execution of each assignment in providing independent and objective assurance and consulting on the effectiveness of aBi's governance, risk management, and internal control processes to ensure effective and efficient operations, accuracy in financial reporting, and compliance with applicable laws, regulations, Policies, and Procedures. A critical point is to provide assurance to the Board and Senior Management that what is reported to them may be trusted and is verified on the ground and that aBi operations are managed effectively and efficiently. In addition to ensure that there is a good system of internal controls in place to prevent fraud and mitigate other key organizational risks.

KEY RESPONSIBILITIES

- Contribute to the development of aBi's Internal Audit Annual plan by identifying and assessing risks over key aBi operations.
- Execute audit assignments in accordance with the audit plan and best practice in and good practice in Internal Audit Professional Practice; give assurance if what is reported is true on the ground.
- Monitor and support the implementation of corrective actions arising from audit activities; create a culture of continuous improvement.
- Provide Advisory and consulting services that add value and improve aBi's operations.

KEY QUALIFICATIONS

- Bachelor of Commerce (Accounting); or Business Administration (Accounting); Bachelor of Science Accounting or any other related course
- Professional qualification and membership to professional bodies such as ACCA/ ICPAU/IIA/CIA/CISA/CFE etc.

JOB-RELATED EXPERIENCE AND KNOWLEDGE:

- 5 years of auditing experience in donor-funded programs/projects/operations.
- Knowledge and experience with International Standards for the Professional Practice of Internal Auditing, under the International Professional Practices Framework (IPPF) of the IIA
- Good knowledge of the International Professional Practices Framework (IPPF/Standards) of Internal Audit.
- Knowledge and experience with international accounting and auditing standards including IPSAS
- Good understanding of relevant Ugandan Laws
- MS Office Experience

How to Apply:
